The Inam Supdt's office has experienced clerks who can easily handle this work & complete it also satisfactorily. It may become necessary for them to work

NOTE—Contn. Sheet.

Out of office hours to complete this in, say, four months. Some suitable allowances say Rs 15/- to the Hd. Clerk & Rs 10/- to Asstt. Clerk may be sanctd and the work arranged to be attended to. Since the Exam Office is now under the R.E. (who is also Engr) it will not be difficult to manage the work as suggested above.

PRESERVATION OF ANCIENT MUZRAI INSTITUTIONS IN THE DIVISIONS COMPRISING THE SHIMOGA CIRCLE OF SUPERIN -INTENDENCE.

With reference to your Memo No. 8921 dated the 22nd January 1930, forwarding for information and report extracts from paragraphs 11 and 23 of the Government Review No. 1351-3/120-29-3 of the 19th January 1930, on the Administration of the Muzrai Department for the year 1928-29, in respect of the above subject, I have the honour to inform you that, in respect of preservation of Belur and Halebide temples referred to in para 11 of the Review necessary special establishments for both temples (as sanctioned in the marginally noted Govt. Orders) have been employed and the repair works ordered are being carried out as may be seen from the quarterly reports submitted to you.

Sir,

Points noticed in the Review of the Administration Report of the Muzrai Department for 1928-29.

In continuation of this office D.O.No.561 dated the 21st October 1930, I have the honour to forward herewith, for information, a copy of letter No.906 dated the 27th October 1930, together with a copy of the statement received from the Superintending Engineer, Mysore Circle, on the above subject.

There has been some noticeable improvement in the progress.

I have the honour to be
Sir,
Your most obedient servant,

K.V.Rao 15/11/30
for Chief Engineer of Mysore.

TSRN.

Letter No.906 dated 27th October 1930, from the Superintending Engineer, Mysore Circle, Mysore, to the Chief Engineer of Mysore, Bangalore.

Review on the Administration of the Muzrai Department for the year 1928-29.

With reference to your No.8920-21 dated 22nd January 1930 forwarding a copy of Government Order No.1351-3/Muz. 120-29-3 dated 10th January 1930 and subsequent correspondence ending with your Memo No.562 dated 21st October 1930, I have the honour to submit herewith for your information a statement showing the details of works with their value remaining to be done at the begining of the year 1929-30 and those remaining to be worked out at the close of that year, arranged Division-war.

From the statement it will be seen that as many as 73 works were remaining to be done at the beginning of the year 29-30 and then the total value of works yet to be done was Rs.1,06,600.

Including the fresh works, viz., 39, sanctioned during the year costing Rs.51,572, the total number of works were 112 and their value amounted to Rs.1,58,172.

Of the above, 58 works were completed and an outlay of Rs.56,786 was incurred on them, leaving 54 works at a cost of Rs.96,870 yet to be worked out at the close of the year. Hence it will be seen that there is a decided improvement both in the reduction of the works and the amount to be worked out; but it is capable of further improvement and the Executive Engineers are being urged in the matter.

P.T.O.,

It has to be mentioned that of the large sum remaining to be worked out in Mysore and Tumkur Divisions, Rs.20,508 is due to non-receipt of contribution from the Vyasarayaswami Mutt at Sosale and Rs.11,190 is due to a similar cause in the Tumkur Division as explained in the statement. It is obvious that there are other factors which impede the progress of works in addition to causes which may be obviated from Public Works Department.

.....*Department.*

SIR,

n [illegible]sters revised as above have been received from almost all t[illegible]ks and are kept in this office. It is proposed to get them printed i[illegible] the form e closed herein. The Survey Department, while agreeing tha work proposed is of considerable and immediate importance, is not in a position to take up the revision of Quit Rent Registers for want of adequate staff.

(b) As regards the Ready money Inam Register, the existing copies were got printed corrected upto 30-4-95 as per orders of Govern ent contained in Govern ent Order No.151-61/Muz.F.4-95 dated 31st July 95 Since then there have been any changes and the conditions which --- necessitated a reprint of the above registers in 1895 exist more -- strongly now. The r vision of th se registers was undertaken by the audit staff of this office and the r vised register were sent to the Survey Superintendent for verification with reference to the registers and Records of his office before getting them printed: but he states that the number of cases being numerous it would be convenient if a responsible official of this office is sent, to whom the books and Inam registers be made available.

In view of the importance and urgency of the Revision of the --- Registers mentioned above, and the inability pleaded by the Survey -- Department to undertake the same, I propose to put two of the experience auditors of this office for six months to check these registers with the survey records and get them ready for the Press. To attend to their normal work, which is itself very heavy, I solicit sanct on of Government to entertain temporarily 2 additional hands on Rs.30/- each for a period of 6 months the charge being met from the Muzrai Establishment Fund, which can very well bear the charge.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
